

## **COVID SAFETY PLAN 2022**

- Everyone 18 years & over must:
  - Be fully vaccinated to enter the facility
  - Check in via the QR code
  - Covid-19 certificate to be shown as proof of vaccination
- All classes will be modified & scheduled to conform with the covid restrictions & safety procedures as they change.
- Gymnasts are to wait outside the front entrance of the facility until instructed to enter. The gymnasts will apply hand sanitizer provided on entry. They will be instructed where to wait prior to their class commencing.
- At the completion of class, gymnasts will be escorted by a coach to the front entrance to be collected by their parent or carer.
- Gymnasts need to bring their own water bottle.
- Coaches will clean equipment during training as required.
- Gymnasts who feel unwell or show any flu like symptoms, must not attend training.
- If a gymnast becomes unwell during training, they will be isolated, and parent/carer called.
- Masks are mandatory for everyone 8 years & over indoors. Gymnasts may remove masks when warm up begins.
